

Head Coach Notes

Team Parent

Get your team parent volunteer first, then let that parent worry about getting the rest of the volunteers. You can just focus on practice plans, fun games and the first game of the season.

Team Parent Meeting

The Team Parent Meeting will be held from 7pm to 8pm on Tuesday, August 29th. I'll send a separate Email with the location as soon as I get that information. Please make sure that your Team Parent attends. Among other things the Picture Day envelopes will be handed out. If your Team Parent cannot attend please send another parent in their place.

If you have any questions please contact Michelle Philips (Team Parent Coordinator and Picture Day Coordinator) at michelle.philips@yahoo.com

Practices

As you call your first practice, print out the Registration forms. From your Coach menu, select "Team Reg Forms" and print them out and bring to your first practice (or first practice that you knew about this). Have each parent sign their specific one and keep this copy at all games. This is your medical release form if a player gets injured.

Mandatory Equipment

The only piece of equipment that is mandatory is shinguards. Soccer cleats are optional although the higher the level the player, the more recommended it is. Most of you know this of course but you might tell parents that Soccer Shoes are the ones without the single cleat in front of the shoe, that's a baseball shoe and it's not allowed in soccer. Soccer Shoes have the 2 cleats spaced in front (you can use soccer shoes in baseball). First time parents buying cleats don't always know this.

No jewelry is not allowed.

Rosters Released

All rosters except U6 divisions have been released. If you can't login or you don't see your COACH menu, let me know. U6 Coaches, rosters are expected to be released tomorrow.

Schedules

I don't have an update on this but the schedule can't get completed until all teams in all divisions are completed. So at least a week, probably two.

Equipment and Uniforms - All Divisions

Please contact Kat to schedule a pickup if you don't have your uniform/equipment already:

Practice Field Update

This year we do not have a permit for Sunnvyale Middle School. You can still practice on this field but we lose priority to league's that do have permits.

Contact Your Assistant Coach

Let your assistant know what's going on, give them a ring. Some of them are asking

what's the next step, basically wait for the Coach! He/She will be calling soon.
