INTRODUCTION

Hello Coaches,

Some good news on the referee recruitment campaign - on Tuesday Night I completed the first 4 hour session along with 13 other attendee's. That means 14 new Referee's for our former diminishing referee pool of volunteers. That's the same amount we had the last 3 years combined! So a fantastic job recruiting by our Referee Administrator Kirby Kruckmeyer and to all the Coaches who kept spreading the word to all of our parents!

Darin Roland
Sunnyvale AYSO Region 44
Assistant Coach Administrator

NEW NEWS

Missed the Team Parent Meeting?

If you were not able to send someone to the Team Parent meeting, your Picture Day packets can be picked up from Renee McCain at 3283 Victoria Ave, Santa Clara. No need to call ahead. Your packet will be labeled and waiting for you in a box marked "AYSO" on the porch.

Practice Field Permits Available

We now have PDF's of the permits for our practice fields. If you need one, please Email me which field you are practicing on and I will send you the copy. I believe they are going to be posted on our www.ayso44.org web-site and when they are, I will send you the link.

Schedules

Schedules are close to being finished and released. I've mentioned a few times how many late registrations we had this year and how challenging it was completing teams given other issues that arose. Scheduling can only be completed once teams are finished and field locations are determined. Our scheduler has been spending many, many hours and we will release the schedule soon. I will send out an immediate Email to all coaches when that happens.

Picture Day

Picture Day is Sunday, September 16th at Ortega Park. I'm attaching the picture day schedule so take a look at the spreadsheet. Your team parents might already have this information and be taking care of this for you. In case you weren't able to get a team parent, you have the information you need.

RECENT NEWS

Uniforms and Equipment

Please contact Kat to schedule a time to pickup your uniforms and equipment if you don't have them yet. Most of you already do this but please keep the following courtesies in mind as Kat is a long-time volunteer, Coaches a team and has 4 boys playing sports and attending school:

- When calling to schedule a time, plan for at least 1-2 days to arrange a pickup slot, calling Friday Night before the season starts won't work.
- Please don't call after 9 PM, especially now that School is back in session
- Please don't arrive early as she needs time to set things up and is often returning from practice
- Please do thank her for her time and effort and long history of support

Combination Locks

The combination for the locks has been set to 0744. If you are practicing near your game fields please give a quick check of the lock and make sure you can open it (nothing like having to track down someone Saturday morning at 9:00 AM when you are ready to play a game). Just in case that doesn't work, combinations from past seasons was 5050 and 2006. Again, those should be old and I'm only including just in case something got overlooked. The lock combination should be:

0744

CALENDAR

Date	Time	Location	Event
Sept 8th	All Day	All Fields	Season Begins
Sept 16th	All Day	Ortega Park	Picture Day

Items in blue text on the Calendar are coming up next week. Items in red text will indicate a new listing.
